

Valerie Griffiths

I have been involved in the cat fancy for many years! I began breeding British Shorthairs in 1991 and Chartreux in 2005 and have since enjoyed many shows and bred many National winners while making good friends in both CCA and CFA. As Breed Secretary for the Brits and Chartreux in the Canadian Cat Association (CCA), I have had the opportunity to get to know and talk with other Brit breeders. Longhair Brits are now recognized by the CCA for showing in Championship thanks to my efforts.

I am one of the founding members of the Ottawa Valley Cat Club and I especially enjoy the fun tasks in getting ready for our show including getting together with members to make catnip sacks.

Now a retired nurse, you can find me at home enjoying the company of my feline kids, who like to help with chores, and indulging in my hobbies of gardening and knitting. In past years I enjoyed making wedding and novelty birthday cakes.
